YOUNG entrepreneurs are being encouraged to enter a competition for the chance to win a cash prize.

Shell LiveWIRE is calling on people aged 16 to 30 from the south east to apply for the monthly Shell LiveWIRE Grand Ideas award worth £1,000.

Monthly winners will also be in with a chance of being awarded £10,000 for the Shell LiveWIRE Young Entrepreneur of the Year.

Chairman of Shell UK, James Smith, said: "Entrepreneurs can breathe new life into our economy. The Shell LiveWIRE Young Entrepreneur of the Year Awards provides a vital boost to entrepreneurs across the country".

More than 100 entrepreneurs have received an award since they launched in 2009.

Previous Grand Ideas winners include Greenwich University graduate Charmaine Kemp.

Miss Kemp, from Gravesend, set up her business, Wheelie Good Mobility, in May 2009 after leaving university and not being able to find a job.

She researched business areas which she felt would be a growth sector and settled on mobility scooters.

Shocked at how much they cost, Miss Kemp decided to buy and sell used mobility scooters at a fraction of the price.

She said: "I would urge all current and recent students to think about setting up their own businesses and to take advantage of the support offered by the Shell LiveWIRE awards.

"If you are prepared to put in the hours you can make your dreams come true."
